Sir,

Subject - Conversion of the Jr Health Inspector's post of Chikballapur Municipality to that of a Senior Health Inspector

---

I have the honour to state that the President, Municipal Council, Chikballapur town in his letter No C 29/48-49 dated 16-8-1948 intimated that Chikballapur is a big town with a population of nearly 20,000 and requested for the services of an efficient and well experienced Health Inspector as he has to be in charge of sanitation, public works and other important affairs of the Municipality This municipality is now having a Jr Health Inspector The President was intimated in this office letter No C E 4-794/48-49 dated 13-10-1948 that as per G O No L 8891-8902 Ml 199-35-5 dated 20-5-1948 Municipalities with an annual income of more than Rs 10,000/- should employ a Senior Health Inspector He was further requested to place the matter before the Council and communicate their resolution in the matter of appointing a Sr Health I spector The President in his letter dated 24-12-1948 intimates that the subject was placed before the Council at the meeting held on 26-11-48 and it was resolved that a Sr Health Inspector is not necessary in the Municipality

In view of the fact that Chikballapur town is having a population of 20,000, and the annual income of the Municipality is more than Rs 10,000, the services of a Sr Health Inspector to maintain and promote health and sanitation of the town is necessary It is with this object Government have approved the appointment of Sr Health Inspectors for the major town Municipalities

In this connection I write to state that consequent to starting of Health Units in the State the number of Jr Health Inspectors posts

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

No L 10342/HL 4-48-57, General and Revenue Secretariat,

Dated Bangalore, 16-3-1949

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore
General Department.

To

The Deputy Commissioner,
Kolar District.

Sir,

I am directed to state that the Director of Public Health brings to the notice of Government that at present the Chickballapur Town Municipal Council which has a population of nearly 20,000/- is employing only a Junior Health Inspector, and that when the Municipal Council was consulted in the matter of employing a Senior Health Inspector, the President has replied that the services of the Senior Health Inspector are not necessary in the municipality. With a view to improve the sanitation, and other matters connected with the health of the town, Government in their order No.L.8891-8902/ML 199-35-5 dated 20-5-1936 have laid down that municipalities with an annual income of more than Rs 10,000/- should employ Senior Health Inspectors. Further, under the provisions of the Public Health Act, the municipalities are expected to spend a certain percentage of their revenues on the improvement of health and sanitation of the town. The income of the Chickballapur Municipality being much more than the limit fixed above, it ought to have a Senior Health Inspector.

In the circumstances, I am to request that the municipal council may be advised to reconsider their resolution and obtain the services of a Senior Health Inspector from the Health Department.

Yours faithfully,

Sd Mir Safdar Hussain.

General Secretary to Government.
